In Memory

MRS. HAZEL ADAMS

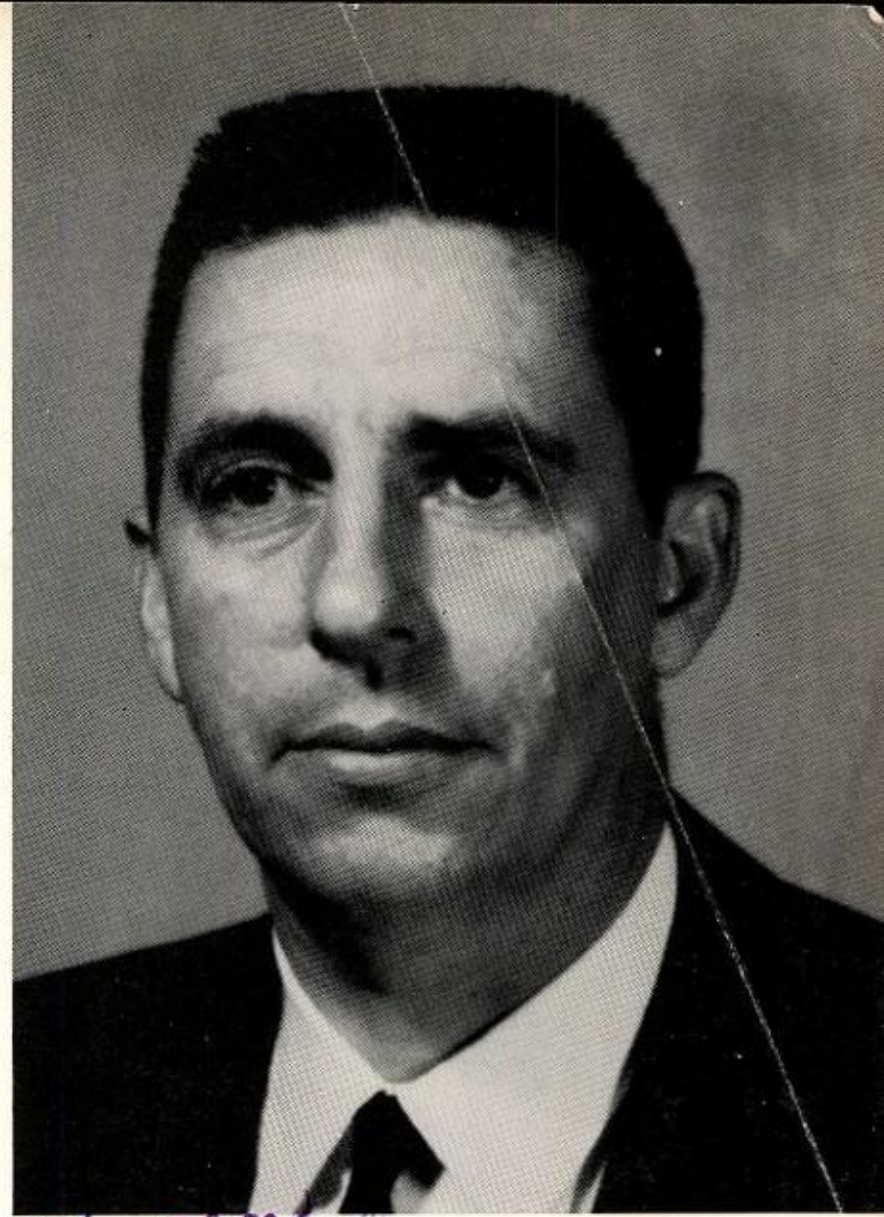

Mrs. Adams, a second grade teacher, whose memory will always be cherished by those she loved and those who loved her, departed from this life on January 14, 1962.

She was always faithful in her duties to her school, her community, and her church during the memorable years she lived. Her kindness and her smile will be a torch to light the trail of those who tread in her footsteps.

Principal's Message

To The Faculty and Student Body:

It is indeed a pleasure to address you at the close of the school year. This year has truly been a new and gratifying experience for me; to work with such a splendid faculty and fine student body.

Your teachers have striven this year to give you a balanced educational program which will meet the needs of each and everyone of you physically, mentally, emotionally, and socially.

May we continue to be able to offer a fine program which will enable you to cope better with the more complex society which confronts you in the future.

Best wishes to all of you.

Most sincerely,

Shelby Brooks

Hi! My name is Reddy Kilowatt
I'm on the job for YOU -- 24 hours a
day -- bringing you all the blessings
of dependable, low-cost electricity
from LP&L. For just pennies an
hour I work tirelessly warming you
or cooling you, cooking your food,
preserving your perishables, en-
tertaining you, providing light for
you -- making your whole life more pleasant and more produc-

pay me less than twice as much -- as twenty-five years ago.
Whenever you need me, just flip a switch, I'm Reddy.
